

# Styling

Definition 1. Basic style.

*Definition 2.* Italic title.

*Definition 3:* Italic title and semicolon separator.

**Definition 4.** Bold title.

**Definition 5.** *Bold title and intalic body.*

**Definition 6.** Bold title and boxed with border.

**Definition 7.** Bold title and boxed with fill.

## Choosing what to style

Here, we set all environments to have bold title, except examples and remarks, for which we make italic title and semicolon separator. Also, we disable numbering for remarks and examples.
